The Vencomatic Group offers a challenging working environment in the global poultry sector. We aim to be the world's best in marketing and supporting sustainable and animal-friendly solutions for the design of modern poultry farms. Working at the Vencomatic Group means working together towards growth and continuous innovation for the benefit of our customers and relations. That is what we are good at. All over the world customers appreciate our innovations and high level of service.

The Vencomatic Group employs over 350 dedicated employees, serving thousands of customers worldwide. Headquarters are in the Netherlands with subsidiaries located in Spain, France, Brazil, China and Malaysia.

Our brands are:

- Agro Supply: climate solutions for optimal poultry performance
- Prinzen: careful and efficient egg handling
- Vencomatic: sustainable poultry housing and equipment
- Rondeel: sustainable production of consumption eggs
- Vencosteel: production facility for steel products
